Thank you for the email. We, here at Black Panther Zoological, are sorry for the miscommunication. We are in the process of filing a DBA for the state of Maine and would really like to advertise with your site once we are fully registered. If it is at all possible to refund us the money that we have already paid so that we can use it to advertise with your site again in the near future, it would be greatly appreciated. We are planning to greatly expand our advertising scheme and your site will be instrumental in that. Please feel free to contact me for any questions or concerns at (████) █████-████.

We do not give refunds for failure to read and follow our Terms of Service. You may still post ads. You must post ads under the name the account was purchased under as an individual. Once you have your DBA, you may post under your business name.

If you reply, please include this email in its entirety in your reply for tracking purposes.
