- January 12

1/12, 8:38pm

Dustin Brown

Hey man did you get my message, you said you were going to send me the title but never did. I wasn't real happy that the garmins had exploded batteries in them but they still worked so I didn't say anything but I really need that title its a lot bigger of a deal.

1/13, 2:19am

Jason Rumsey

Yea I got your message. Mt wife is sendinh it

- January 13

1/13, 4:05pm

Jason Rumsey

My wife said she already sent it to the address you gave me

1/13, 4:21pm

Dustin Brown

well that's a problem because I never got it

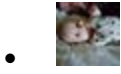

there's not a lot I can do without it, guess maybe you can get it replaced but I need one

1/13, 4:25pm

Jason Rumsey

Its cool I think I can just apply for a lost one..... calm DOWN

1/13, 4:26pm

Dustin Brown

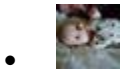

no worries, I'm calm. I'm not doing anything rash, just never dealt with a lost title before

1/13, 4:27pm

Jason Rumsey

I think it should be easy ill ask the registration people at work tomorrow

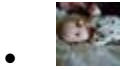

1/13, 4:28pm

Dustin Brown

ok sounds good, just keep me updated. Thanks.

Dustin Brown

hows the title thing coming along?

- February 5

2/5, 8:08am

Dustin Brown

I guess I'm on my own to try and recover it then?

- Today

3:55pm

Dustin Brown

Just so your aware I'm making a boi thread in regards to getting an atv with no title. And the vin is scratched off too by the way.

Because I have no way of registering it without the title and you've been no help.

3:57pm

Jason Rumsey

The vin is not scratched off

And if you want to start a whole bunch of s*** I'll just report the mother f***** stolen

3:59pm

Dustin Brown

I don't care I have all the emails and text messages stating otherwise. Not to mention I'm military so I get free legal representation. I'm not teeing to start anything I'm just pretty rubbed raw over the deal considering I have a four Wheeler I can't even use.

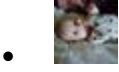

4:00pm

Jason Rumsey

Why can't you use it

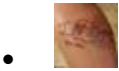

I also have all the emails text messages and Facebook conversations in regards to the snakes

4:01pm

Dustin Brown

And yes unless the vin is somewhere besides the big rubbed rust spot then its ribbed off. In New Mexico you have to be registered to ride it anywhere. No title no registration no riding.

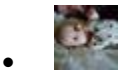

4:01pm

Jason Rumsey

If you want to pretend to be military boy and use your pool why don't you contact the state of Texas and ask him what the f*** is taking so long but don't call me and threaten me because believe me I don't give a f*** about your 4 wheeler problem

But I know God damn good well that the VIN number on that four wheeler is not scratched off because the week before you and I started talking I took it to the dealership in an attempt to trade it in and there and the VIN number so you can quit being a crybaby

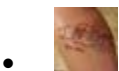

Hate that for you this deal is done in Texas

4:03pm

Dustin Brown

Lol pretend. You can look at my profile and see that I'm military but that doesn't matter. I'm trying to be civil but your being a deusch bag

4:08pm

Jason Rumsey

You're trying to be civil you sent me a message saying oh I'm fixing to start Adeline all over the internet because the state of Texas hasn't sent you the title fast enough would you expect me to be like oh I'm so sorry please don't do that

You can either be respectful and I'll continue to do what I said I would do or you can continue to be a douchebag and you can get f***** and be stuck with the f***** four wheeler you can use cause when the title does get here of it that mother f***** on fire

What else

•

4:12pm

Dustin Brown

February 5th I said so I guess I'm on my own with getting the title and you never responded what do you expect me to think and you can quit with the threatening because I could give a sh** less I'll go buy a brand new one if I really wanted to

•

4:12pm

Jason Rumsey

Do it then

Send the ATV back if you don't want it

•

4:15pm

Dustin Brown

Wheres the vin located?

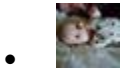

•

4:15pm

Jason Rumsey

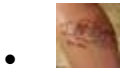

On the atv

4:16pm

[Dustin Brown](#)

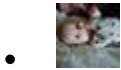

Where at?

4:28pm

[Jason Rumsey](#)

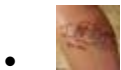

Google it

4:29pm

[Dustin Brown](#)

I did. It's the spot that's rusty I can only make out a couple digits. Do you have the vin number wrote down somewhere?

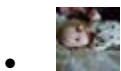

4:31pm

[Jason Rumsey](#)

Yes I do that's how I requested the lost title

And if you have been more respectful and less childish you could have it too

4:34pm

[Dustin Brown](#)

I'm not being childish I'm trying to get this figured out but you started ignoring me. You know what di** it I don't even care I'm starting the boi because your obviously not going to help me. Thanks allot considering I really tried hooking you up with the snakes I gave you.

Fu** it not di** it

4:35pm

[Jason Rumsey](#)

Good luck

Just remember to put their annual report that I brought the title with me then not we traded for it and you forgot to get it and that I mailed it to you and somehow you didn't get it in the mail

4:37pm

[Dustin Brown](#)

Yeah and you have proof of all that because I never saw a title. That's your problem. I made sure you recieved all the snakes I promised and the you failed on your part

4:37pm

[Jason Rumsey](#)

Also don't forget that I are at your request file for a lost title and you're being a crybaby wanting me to make a state of Texas do their job faster

I don't think so I think any mature adults who is taking over a motorized vehicle would have made sure that they got a title

4:39pm

Dustin Brown

Look back at our messages where it shows nothing about you filing Jack sh**. I'm done arguing about it.

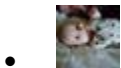

4:40pm

Jason Rumsey

Like i said good luck

I'll buy it back for 1k

4:45pm

Dustin Brown

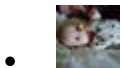

That's funny

4:46pm

Jason Rumsey

.well without a title its not worth much now is it

4:47pm

Dustin Brown

About as much as your reputation when I get done.

4:49pm

Jason Rumsey

I will advise you then if you put anything in writing over the internet that isn't true I will sue you for libel this is not a joke I'm warning you now and just to make sure you know how serious I am I will be sending you a certified letter from my attorney Ross and Matthews at a Dallas Texas be expecting it

4:52pm

Dustin Brown

I'll look for it in the mail but don't worry I will only put our entire conversation on there for everyone to see so they know what kind of person you are. And nothing will be "made up" have a good day because I'm done with your empty threats that don't scare me in the least.

4:54pm

Jason Rumsey

Not empty. I did nothing wrong and did everything you ask. But do check your mail this time and don't loose this paperwork

4:55pm

Dustin Brown
