Pending: A package, with article, that has been tested to all FedEx Standard Test Procedures. Confirmation of results is subject to customer inspection.

Comments and Packaging Recommendations*

The above described packaging for the shipment of live animals meets the FedEx Express minimum packaging requirements and is "Accepted" for domestic transport. Before shipping can begin you will need to contact your local FedEx account representative to complete and implement all necessary legal paperwork.

* Our provision of advice, assistance or guidance on the appropriate packaging of shipment does not constitute acceptance of liability, unless such advice, assistance or guidance is in writing from the FedEx Packaging Design and Development department and expressly accepts liability in the event of a damaged shipment.
