We ship snakes and lizards all over the country. Using Reptiles Express has resulted in significant savings on our shipping costs and we have been delighted with their services.

Matthew Patti Exoticreptiles.org Charleston SC

I always found Reptiles Express professional and able to take care of any problems right away. I have used many suppliers in the past but Reptiles Express is one of the best out there. Best prices and no hassles. These guys are not human! Give them a try, you won't be disappointed.

Chuck Gochnour Heroic Chameleons

Reptiles Express is the only service I use to get my reptile shipping supplies and discounted Overnight shipping labels. I print my shipping labels right on my PC and then tape to my shipping box. My business increased as I was able to offer lower shipping prices.

Robert Johnson Southern Dragons Atlanta, GA

I had the pleasure of using ReptileSexpress.com just prior to the site going public. I bought 2 labels - 1 to California and 1 to Fairbanks Alaska.

Now I know you're looking at the location of the 2nd label and thinking "Can I ship to Alaska???" Well the answer is YES! You can! The dragon got there with no problems. The customer service was top notch, and the price was beyond fair. ReptilesExpress.com will have my business for some time to come.
